

# CHEF TRAINING SYLLABUS

---

## Hi Folks,

Oranium Tech introducing some amazing content on Chef. Our Chef course concentrates from basic level training to advanced level training. Our Chef training is completely focused to get placement in MNC in Chennai and certification on Chef after completion of our course. Our team of Chef trainers are Chef certified professionals with more real-time experience in live projects. Our Chef Course syllabus is enough for anyone who wants to get Chef certification which meets industry expectations. In our course plan, you will learn Getting Started with Chef, Modifying the DOM, jQuery Chef, Chef in Action with practical exercises and live examples.
